“ She was my wonderful grandmother and she would always take us to the beach when it was nice and sunny we would always visit her parents at the graveyard in MT holly we would always help decorating for holidays when she died I was very upset I miss her and every day I would look at my messages and I would see her phone number and that would get me into tears I wish she never died because what she cared about most is friends and family she cared about friends and family more than anything in loving memory for Cynthia. “ "Ms. Regn" was a super peer and supportive friend as we taught together in Mount Holly. I have many positive remembrances of our antics together and efforts on behalf of our students. We shared Glassboro State times and raising sons stories, and I always felt her warm understanding mixed with candor and wit. I hope her last years were full of love and family as mine have been. She would want a lot of memory smiles, I'm sure- and she has mine.

“ Mark, Marsha, Jennifer, Michelle, Lauren, Jonathan, Matthew and children, You all are in our thoughts and prayers as you celebrate Cyndie's life and remember with great fondness all the good times spent in her company. Our families have been friends and neighbors for generations, and we share in your grief today. Cyndie was definitely another older sister growing up amongst the Regns in Mt. Holly. I know she touched so many lives as a great teacher where her legacy will live on through others. Tonight and tomorrow you'll see and hear many stories and tributes to her. I was so glad to actually see her at our recent church breakfast and get a moment to talk with her one last time. May she rest in eternal peace. Love you all.

“ I remember Cindy's enthusiasm and her Education Week presentations at the Burlington Center. She put her heart and soul into helping the kids present Mt. Holly Schools as the great place it was. She was a very special person. Blessings to her family.

“ I have known Cyndie for so many years and she has been a very caring Mother. She Loved her Children and her Grandchildren with all her heart. She and I have communicated for so many years and respected our friendship always. My heart goes out to Lauren, Jon, Matthew, her Siblings, and their families and Friends. For her I am so happy she is not in pain everyday but the hurt, sadness, and pain will be with her Family and Friends for ever. Sandy Soltesz Barrett.

“ My deepest condolences goes out to the entire family. I was fortunate enough to share and meet some wonderful people through Lauren and her family. Had many wonderful times, beside the beach Cyndie's favorite time was Christmas and being the only Jewish person during Christmas Eve and Christmas Day Cyndie made me feel very welcomed and I enjoy her massive tree and decorations. She always had a tree ornament just for me. Her memory will last forever through Lauren, Jonathon, Mathew and her grandkids.
