“ Hey Jennifer and Vanessa, I am so so sorry to hear such devastating news about David. I remember 1st meeting David back in 4th grade one day when I came to your house. I don't think I've ever met such a peaceful kind person as David. I hope both of you and your family can find peace in knowing that heaven just got a lot brighter.

“ My sincere sympathies to the Jago family. U knew David in his younger years as well as his siblings. He was one of the kindest people and seemed to always have this mischievous smile. I pray that he is at peace and with his wonderful parents. R.I.P.
