

Elizabeth "Betty" Schoppe

November 17, 1941 - February 13, 2021

It is with deep sorrow and much love that we mourn the passing of Elizabeth "Betty" Schoppe, of Burlington NJ on (Saturday, Feb 13th 2021), at the age of 79 years.

Betty was a caring wife, mother, grandmother, sister, and friend and will be lovingly remembered by her husband, Walter III ; children: Walter IV, Michael ,and Patricia Breves (Robert); grandchildren: Christina, Chase, and McKenzie. Her sister, Sister Ann Coyle; as well as numerous relatives, friends and faithful companion, her beloved dog Zoey.

She was born in South Philadelphia to Philip and Anna Coyle on Nov 17th 1941. After graduating from Audubon High School, Betty then went on to work for the Internal Revenue Service and then to fulfill her lifelong wish to become a wife and stay at home mother. The simplest pleasures in life brought the greatest joy to Betty. Among her favorite things were to get together with her "Jug" club friends, bowling, family trips to the shore, going on cruises, the casino, cocktails and dancing with all of her friends at Doc's Pub, and most of all spending time with her grandchildren. She will be remembered most for having a smile and laugh that would brighten up any room. Her passion for those she loved and things she enjoyed were expressed in her daily life for so long and for that she will be missed most. She will be dearly missed by so many whose lives she touched even if for just a brief moment. Betty Schoppe was a true one-of-a-kind.

Betty's Facebook page will remain open and all are welcome to post memories and final words to her there.

Celebration of Life will be held at a later date.

“ My memories with Aunt Betty are full of joy and laughter. We even had a couple of laughs on facebook. She had so much life in her. I wasn't ready for her to go, but God had other plans. May she rest in eternal peace. I love you so much and wish I had more time with you. You will always have a piece of my heart. Love Janine Coyle.

“ Mrs. Schoppe put a smile on everyone's face. She was always smiling and laughing so her upbeat spirit was contagious. She was a caring person who freely welcomed the neighborhood kids into her home. I'll miss her very much. My deepest condolences to Big Walt and her family.

“ When I met Betty, I instantly fell in love. Her smile was infectious!! She made me dance with her and I got two damn left feet. I have incredible memories of her and I'm very honored to have met such an incredible woman we did Easter, the casino, Docs, Docs, did I mention Docs!! We even partied til 3am where I was falling asleep at Kristins kitchen island and Betty pulled a chair next to me and said she wanted pictures lol. I couldn't believe that in real life at her age she lasted longer than me partying that night she must be Irish or something. I love Betty, my kids love Betty she really was one of a kind!! Oh and I say they should definitely without question change that saying that goes party like a rockstar to “ Party like a Betty” my condolences to the entire family as I know this is felt by each one of yous yous are in my thoughts and prayers love you all

“ Betty was THE BEST. When I first met her, she instantly reminded me of my dear late Grandmom Betty with that infectious laugh and smile. I always called her Grandmom and she loved it - we were instant family. I'm so grateful to have had her here for Thanksgiving with my family a few years ago who instantly bonded with her as well. There really was no one like her - she will be missed beyond words. My thoughts are with you all

“ I met Betty when my brother brought her home to meet Mom and Dad. She was about 18, and absolutely beautiful. We fell in love with her right away. She and my brother, Walt Schoppe married soon after, and before long had 3 adorable children, Patti, Walter and Michael. All who ever met Betty fell in love with her instantly. She was fun, and full of Love for everyone she met through life's journey. She will be missed forever by so many. I loved her dearly...she'll always be in my heart with fond memories... RIP
