“ Woody was the true meaning of a neighbor and a friend. If you look up the meaning of "neighbor" you will find his picture. Woody had a saying "that's what neighbors are for" and he lived by those words. He was the kindest person we ever had the pleasure of knowing. He loved his family and they take after him, they are some of the nicest people we had the pleasure of meeting. You will be missed Woody, my friend and neighbor.  
Our deepest sympathy to Carol Ann and the entire family.
