One precious to our hearts has gone.
The voice we loved is stilled;
The place made vacant in our home
Can never more be filled,
Our Father in His wisdom called
The one His love had given,
And so on earth the body lies,
His soul is safe in Heaven.

“ I had the pleasure of knowing Eric and his family for the last about 10 years. Through Solebury Township. I enjoyed getting to know him and his family on and off the job. He was very special in his simple quite nature and will be deeply missed by all that had the pleasure of knowing him. May he rest in peace.

“ I had the pleasure of knowing Eric through Amy. Will never forget his dry sense of humor and there's one moment in particular I would like to share. Just recently I had gone to see him at A&L to drop off some items and he was sitting in his usual spot in the office. He looked at me out of the corner of his and said let Amy know we'll be sending her a bill in the mail for the items I had just dropped off. He also said I'll see you at 3 for Thanksgiving dinner. I laughed for hours after this last conversation I had with him.

My deepest sympathy to the family. Always remember he is still with you in your hearts. God Bless all of you.
