Comments

“ My dad loved Gary because his younger brother Rick loved Gary. When we were growing up my brothers and I spent part of each summer in Mount Holly where we spent a lot of time with our uncle Ricky who we idolized. We also spent a lot of time with Gary because he and Rick were never apart for long. Gary became an extra big brother to us and we couldn't have asked for a better mentor. He was generous, compassionate, and always mischievous but never mean spirited. Gary taught me to be driven, to have goals, and to always take time to see the lighter side of life. Gary's impact on others will live forever. Peace to his family during this time.

“ I was so saddened to hear of Gary's passing and I grieve for his family. Gary was my friend for over 40 years. I'll miss his humor and his heart as will all the friends he made over the years.
