One of the first times I met you, you said I was family and to call you Mom. You gave me one of the greatest gifts I could ever have and that was your daughter and you gave her with love to me. As growing to know you, you gave your heart to everyone that came across you. I will always remember you and how you were with Jimmy he loves his momom and you loved us all. “ So very sorry for the loss of your mother. You spoke of her dearly. A mother is one-of-a-kind. Hold on to the abundance of memories that I'm sure you shared together.

“ I am so very sorry for the loss of your mother, wife, sister, and daughter. I know you will miss her deeply. Now you all have an angel watching over you always. Someone told me friends are a gift from God. If that's true, then I received the best one ever. What did I do to have deserved a friend like Helen Placko? Although, I haven't seen her in awhile, I always had her close to my heart. I will miss her immensely and will continue to hold her dear to my heart and soul. I do have precious memories of our time on this earth together. I love you Hel. Please say HELLO to my mom and dad.

“ Tommy & Family,
Helen was an amazing woman and the truest of friends. I have been reminiscing of all the wonderful memories we shared, which includes some shenanigans we performed together. She was my rock and confident for many years. I'm sure she is still pointing a finger at me, the one time I didn't listen to her, but should have. We spent many hours sitting on the patio sharing stories and trying to solve all the current problems. Helen will be missed by many, but especially by me and my family. I know time and distance has kept us apart in recent years, but she always had a special place in my heart and was fondly remembered daily. I will miss you my dear friend.....

“ Heartfelt condolences to the Placko family. Helen was one of the nicest, funniest, most caring person and I can't forget how patient she was while she was sharing her knowledge with me to fill her position at Dyess AFB. What a very kind soul, I know you all have lots of fun times to remember, I have many including several naughty jokes she told, she is still making us smile. Prayers to your family, Helen. Paul and family,

Sorry for your loss. I will miss Helen's laugh and smile. Fond memories with Helen and family, while we were stationed at Dyess Air Force Base, Texas. Helen, Sylvia, Lisa and I helped our daughters in Girl Scouts. Helen helped getting Shannon and her group get ready for there First Communion. Helen hosted Shannon's First Communion Party at her house. We loved hanging out at the Placko's house. We loved to go play Bingo with Helen. Helen was always winning. She loved to make us laugh. Helen was a GREAT support system for military families.

You will be missed.
