“ Jim was a guy who even though he was mad at you, he would go out of his way to lend you a hand. One year at the Elks convention in Wildwood he brought an orange cone to leave space where he parked his Corvette. I got a little too excited that night and the cone ended up in the pool. That next week I had a plumbing issue and he said "Trojanowski, I know it was you who threw my cone in the pool but I'm going to help you because that's what Brother Elks do." RIP Jim.

“ He will truly be so missed. Jim was a great man in many ways and like a second Dad since I was a kid. I have so many memories that I will hold onto forever. I was Blessed to be in his life. My heart goes out to the Hepner family!" I remember Kelly and I would put on perfume and he would tell us we smell like cat piss on the

evergreens"...just one on very many things he would make us laugh from. Dad Hepner was a tough guy with a soft heart, he taught me many things in life I'll remember forever. Fly free pops love you always xo xo
