

James A. Stone Sr.

May 11, 1965 - July 18, 2021

In Loving Memory of
James A. Stone, Sr.

Jim passed away peacefully surrounded by family at 3:15 pm, on July 18, 2021. He was 56 years young.

Born on May 11, 1965 to Arthur Donald Stone & Rebecca Ann Roe in Delhi, NY. Jim is survived by his Mother Rebecca and predeceased by his Father Arthur, his sister Tina and her husband Chris Presley (Cindy Harvish), survived by his brother Arthur and Pat Moore, brother Ronald and wife Cheryl, Fiance' Tonya, Dawndrea (wife), son James Jr and his wife Anamaria, daughter Ashleigh and her husband Aaron, son Robert (Crystal) and son Andrew, nephew Drew, niece Bella, and 7 grandchildren, and many Aunts, Uncles, & cousins.

A graduate from Stamford High School NY, he enjoyed playing soccer & baseball. After High School he enlisted into the US Army and served proudly for almost 7 years as a Legal Specialist. He earned numerous medals and awards and was honorably discharged on July 7, 1991.

Jim was an incredible man and adored by all. His hard work, caring nature, sarcastic humor and his love of life are some of the many traits that characterized this amazing and loving man. He had a love for sports that included: NY Mets, Buffalo Bills, golf and soccer. You could hear him yelling "SCORE!" that seemed to last forever while watching soccer first thing in the morning. Jim's greatest passion though was bowling. Quite often we could hear him, sometimes loudly, giving himself his own advice or a pep talk.

He loved catching up with longtime friends and would give the shirt off his back or his last dollar to anyone who needed it, or just lend an ear. Most of all, he loved being called Pop-Pop.

In lieu of a memorial service, A celebration of Jims' life will be held, on July 30, 2021 from 7-10 pm

“ My Dearest Sunshine,
Thank you for giving me the best 10 years of our lives together. The love we have for each other has always been uncontestable. From our 1st kiss to our last, you have always given me little butterflies. It was the simplest little things you did that made me fall in love with you every time I thought about you, from your love of a color to a simple shape of a cloud or a flower. Words cannot express the amount of emotions I'm feeling without you and I miss you so deeply that I'm empty. You will forever be my person. My match. My soul mate. My once in a lifetime. Please continue to watch over us as we try to heal. Until we meet again. I LOVE YOU TO THE MOON & BEYOND. Forever, ~ Your Baby Doll

“ Our talks about the Mets, laughs at the bar while doing shots of fireball n honey jack, and the biggest memory was when we both bowled 300 at Burlington bowl on the same night... you were a great friend and guy to be around... you will be missed very much....

“ My family will always miss your presence at New Years get togethers or the occasional random birthday party. Savannah and Hunter will miss you picking on them, Jim will miss your military conversations only you two could understand, and I will forever miss your laugh. You asking, whatcha doin' Kimmy, when pouring shots for you and I, the nights you kept me at the bar well after my shift to make sure you had a few beers waiting for you after working your late shift, and our stupid jokes with Bobby V and Harvey. You truly left your mark but without it leaves an even bigger void. You will forever be the only coach I took bowling tips from. Until we meet again, keep the party going up there. Love always

“ Jim my boy. You are deeply loved by all of us. No one knows the depth of our love. I and my whole family will miss you forever. Thank you for taking such good care of Tonya and her boys. I will miss my two weeks of you vacationing in Georgia. I ALWAYS looked forward to those days. You are the best son-in-law I could ever ask for. Love you from now to eternity.

“ My favorite memory is when we went fishing with the kids this past April. It was the kids first time fishing. We all had so much fun. This will be a memory we cherish.
