

## Joseph M. Tencza

October 25, 1965 - April 22, 2021

Joseph Michael Tencza passed away at home with his family on April 22nd. His heart gave out but his memory will live on forever in our hearts.

Joe volunteered for service in the United States Army at the ripe old age of 18 and realized he didn't much enjoy being bossed around. However it was one of the best decisions he made in his life, for he met his beautiful wife Christina while in the service. They've been best friends and partners in crime ever since.

Joe wrapped his entire life around his wife Christina and his two kids (or as he called them, his "morans") Ryley and Gage. He made everything fun; something as simple as going to Wawa would turn into belly laughing for hours. Everything with Joe was always better.

He loved going to the dog park, gaming with his son, garden wars, and carving pumpkins with the family. The best thing about Joe was his sense of humor and sarcastic comments. It was hard to find a picture of him where he wasn't flipping the bird or making a silly face. He will be sorely missed and survived by his wife Christina, daughter Ryley, son Gage, fur baby Teddy, twin sister Sharon (Mark) Perkins, sister Cathy (Pat) Adams, brother Mike (Cathy) Tencza, mother Dolores (Primozić) Tencza, father Joseph Tencza (deceased) and in-laws, the Mormandos.

He was preceded in death by his fur babies Bunker and Fluffie.

Joe will be mourned privately by his family.
