“ Condolences to all in the family. Lots of good memories from our teenage years together between Guy-bies, the Snack Shop and double dating in Eugene's '64 red valiant. I was thrilled to be able to see her when in town a couple of years ago. Never a hair out of place in those days, I was one of the few that could tease her about that. Gone but not forgotten. -Gary M Johnsen, Hermiston, OR

“ Judy was one of my long time friends, we grew up in the same town, went all through school together and I was even in her wedding party. She had her bridesmaids in a rainbow of colors. Just a few of the many memories we shared. Will miss this petite friend. Good bye old friend.
