“ Kathy & John were my very first regulars when I worked at Prospectors. Kathy was a wonderful woman who would always have a smile to lighten a room. Overs the years of taking care of them I admired the love they shared for each other and only aspired to be such a loving person. Kathy will always be in my heart.

“ Kathy has been a wonderful friend for many years. We had good times as young girls, laughing, dancing and just chatting. She was a Bridesmaid in my wedding. Even though we didn't see each other very often, we kept in touch
