

## Lisa Marie Hancock

July 12, 1975 - July 11, 2021

Lisa Hancock (Elizabeth Marie Hancock) of Hainesport passed away suddenly on July 11, 2021, the day before her birthday. She was 45.

Born in Augsburg, Germany, Lisa grew up in Mount Holly and was a graduate of Rancocas Valley Regional High School. It is commonly said, but no truer than in this case, Lisa greatly impacted the lives of so many who met her. While she worked as a bartender and a homemaker, she was also so much more. She was a baker; a job she executed with artisanship and skill beyond many. She was a painter; an art that came naturally to her without any formal training. She was a gardener; a hobby well-suited to her innate ability to nurture and make things grow. Lisa was a biker, host, problem solver, softball mom, and unexpected savior to so many.

Lisa spent many of her days volunteering with the Friends of Burlington County Library, and many nights crocheting blankets for South Jersey Crochet Guild; making blankets for people who were hospitalized. Generous does not begin to describe her.

As many things as Lisa was, she was most happy to be the wife of Jason and the mother of Josie. She poured everything she had into her family and was proud of them every day. Lisa is survived by her husband Jason; her daughter Joslyn Elizabeth "Josie"; her mother Celia Morelli of Wrightstown and her father Tony Morelli of Lumberton, NC; her three brothers: Dave Morelli of Lumberton, NJ, Vinnie Morelli and Danny Azara both of Wilmington, NC. She is also survived by her nieces Stella, Anya, Cami, Ellie, and nephews Gus and Archie. Lisa's family and friends will all miss her greatly and always cherish the time we had with this amazing woman.

In lieu of flowers, contributions in Lisa's memory may be made to any of the following charitable organizations:

University of Pennsylvania's Neuro-Critical Care/NeuroIntensive Care Unit by contacting Sheryl Garton at [sgarton@upenn.edu](mailto:sgarton@upenn.edu), South Jersey Crochet Guild (by way of Jason Hancock), or Friends of the Burlington County Library.

“ Vince and I only knew Lisa as a high school student so it is wonderful to read about the incredible woman she grew to be. I love that she became so active in the Friends of the Burlington County Library group. How ironic that she didn't want to enroll in her high school senior English class! She was just too bright to suffer through yet another high school course that didn't challenge her intelligence. I am so sorry for your loss. Vince and I just moved out of state so we are unable to attend the services but you are in our thoughts and prayers.

“ Lisa was an inspiration for our Friends of the Burlington County Library group; she was very dedicated to our primary mission of adding enhancements to the Library experience for the Burlington County Community. For years Lisa provided critical help with set up for our Friends Book sales and other fund raising events; recently running pop up Book sales for Children events at the Library to the delight of parents and children; adding much joy to many folks! After our successful Friends Book Sales, Lisa would take several runs to local charities to provide left over books to further benefit the communities! Lisa at our recent out door Book Sale, worked the entire day handling the difficult job of the cash box most of the day. Constant compliments from customers about how knowledgeable and friendly with a good attitude Lisa was for check out and helping navigate our very large spread out book set up. Lisa was a very active and dedicated member of our Friends Board and will be great missed. Thanks to Lisa's dedication to our Friends group we are able to provide enhancements funding to the Library experience; such as Museum Pass Programs as a courtesy to Library patrons which benefits large numbers of families and funding for dozens of Children's programs at the Library, etc.... “ Lisa was such a wonderful neighbor to my mother. She would always bring food over when my mother was ill or just simply because she carried so much about others. I know she will be greatly missed!

Lisa, the first time Rick & I met you, I knew my husband met his match. Your back & forth bantering made my cheeks ache from laughing. You & Rick can now pick up where you left off. You were an absolutely amazing person and I am so blessed to have known you. RIP

“ From the Very first day I met Lisa I saw in her I saw the meaning " a person that lights up a room" Lisa blew me away with how much she cared for any and everything that was around her, Lisa was Definitely an Angel sent from God to share her kindness for Us to learn from.. but like ALL Angels, the Lord needed her back, ashes to ashes and dust to dust , MY Heart hurts for her. Lisa had a way of making even the un-forgotten feel important, I WILL Always remember her in JOY for the Beautiful Person she was.. and WILL remain till We All meet again. So remember Her Love. Her Peace. Her Kindness. And know Lisa is in a Better Place ... Till We meet again SWEETHEART..
