“ Peggy was a great friend in elementary school in Southampton Township School. She was always caring and a friend to all. I'm so sad to hear of her passing but glad she is with the Lord.

“ We were childhood friends that had some truly fun times together. I'll never forget our adventures and sometimes misadventures that left us rolling in laughter together. Our mothers were friends, so as we grew up and sometimes lost touch with one another, news of you and your family would be passed to me thru our Moms. My heart hurts for your family and their loss of you and your loving devotion to them. I know you'll be watching over them. I hope you are having heavenly adventures now. Till we meet again Peg. “ To Betty and Peggys entire family. My heart goes out to all of you. One of my favorite memories was playing with Linda and Peggy and on Sundays especially waiting for Uncle Bill to come down from Philly and bring us Donuts. We kind of adopted him as our uncle as well. We had great times playing with great friends in an innocent time. Rest in peace old friend.
