“ Marie was my neighbor and friend at Medford Leas. When she first arrived here she enjoyed walking the nature trails solo. She also liked her privacy, and all in our court enjoyed our contact with her during her years here. I send to all her family my condolences.

“ Dear Smith family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ I have had the pleasure of meeting your Aunt-Sister in Law through Medford Leas... An amazingly wonderful, intelligent, funny, loving, beautiful, appreciative lady who I am soblessed and that much better for her entering my life. I so cherished and looked forward to helping and spending time with her every Monday & Wednesday. She loved and spoke of you all, all of the time, a very PROUD woman of her family. I personally will miss her dearly, her humor, her smile, her thankfulness and appreciation for everything and yet nothing at all. She will be missed by many. My heart aches for your loss. -Becky Mazza
