“ I remember you used to always come to my house to see my brother before school and you used to always chill with him and I loved how if someone was sad you'll always be there for them no matter what. I miss you so much and I wish you were here.

“ Dear Koval family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
