“ I was saddened to hear of Ronnie's passing. He was such a kindhearted, fun-loving, genuine friend. I have so many memories of growing up together. Countless games of pictionary and cards. Lots of cards! Trips to beach, games at Fantasy Island. Some days my face would hurt because we laughed so much. I remember he and my mom would share their stupid unfunny jokes with each other. I know his last years weren't great but, I still believe deep inside he was a good man and I am mourning his passing with you. He touched so many lives and was admired and loved by so many. Praying that you'll find comfort in your memories of Ronnie and in the knowledge that others are missing him, too.
