

Robert "Rocky" F. D'Entremont

May 9, 1944 - October 22, 2020

Robert F. D'Entremont fondly known to most as Rocky, age 76 and a resident of Mount Holly, went to be with the Lord, Tuesday October 22, 2020.

Born May 9, 1944 in Boston, MA to the late James & Ruth D'Entremont, Rocky graduated Walpole High School in 1962. He entered the U.S. Navy, graduating from the U.S. Navy Nuclear Power School and serving in the Submarine service for six years. After his honorable discharge, he worked in the The Naval Ship Systems Engineering Station (NAVSSSES) in Philadelphia. Later he joined his father-in-law Joesph Gallagher at the Gallagher Insurance Agency where he worked for nearly 2 decades. He then moved on as a realtor with Alloway Associates.

Rocky was a long trusted and loved member of the First Presbyterian Church and an active member of community leadership within Mount Holly. If there was a parade, festival or special event to benefit the town, he was a part of it. He was a loving and generous friend, neighbor and family man. We will remember him always having a camera hanging from his neck ready to document everything he could. He touched so many lives in and around Mount Holly with his kindness, charity and joy.

He is survived by his wife of 52 years, Teresa (Terri) Gallagher D'Entremont. Children: Shane (Caitlin), Jason and Ashley. Also a life long father figure to two young grandchildren, Nikayla and Camron. Grandchildren: Hannah, Colin, Alexander, Emma, Gavin, Ciara, William. A brother to the late Judy, he is also survived by 3 brothers: James (Lynn), Keith (Sue), Phillip (Becky) as well as many nieces, nephews, and friends.

We are so fortunate to have been blessed with a husband, father, brother and friend with such a pure heart. He will be terribly missed by us all.

Unfortunately, due to the Covid-19 pandemic, funeral services will be held privately and limited to immediate family. A public memorial celebration for his extended network of friends and colleagues will be scheduled on a future date. In lieu of flowers, please consider contributions in Rocky's memory to the following organizations: <http://firstpresmtholly.org/giving> or https://secure.nationalmssociety.org/site/Donation2?df_id=55995&55995.donation=form1 or <https://give.skincancer.org/give/274781/#!/donation/checkout>

“ So sorry to hear about Rocky’s passing. He was a nice man and was so helpful to our family and our friends when our dear Uncle David passed away in 2016. Rocky and David were next door neighbors. Rocky helped our uncle with many things and we will always remember that. RIP Rocky. You and David have a lot to catch up on. Our deepest sympathy to Rocky’s wife, children, and grandchildren. “ So sad to hear about Rocky's passing. What a gentle man. As a Realtor with Koury & Clement for 30 years in Mount Holly, I worked with him on occasion, even a co-op transaction to sell the historic Union Fire Station on Washington St. Before that, I could always count on him for our insurance needs or a casual breakfast at the once, place to eat downtown, the Mount Holly Deli. One of good guys that will be missed by many. My sincere condolences Rest In Peace, my friend. Jeff Masishin

“ There are few moments when you get news that makes your heart sink. Reading an email from my mother of Rocky's passing was one of those moments for me. All I could do was pause and reflect on how much a part of my life he was, being he, along with the entire D'Entremont family were just "always there" for as long as I can remember. Through good times and bad, I can always recall Rocky (& Terri) as an extension of my own family in either the forefront or background of every momentous event! I still have a photo he took of me over 40 years ago when our families went on vacation together. With much love, I hold onto many fond memories. Say hello to my Pops, Rocky! Soon we shall see you again. To Terri, Shane, Jason, Ashley, and all the kiddos, you have my prayers and heartfelt sympathy.

“ To Terry, Shane, Jason and the entire D'Entremont Clan,

I'm sorry to hear of Rocky's passing. I've only known him for approximately 10 years or so but learned he was a great father, husband and father figure who loved his camera as well.

To illustrate what a fine(forgiving gentle man he was, when we first met I introduced myself (jokingly) as Stoney Wise, rather than Ed Wise. He never, ever mentioned it to me. Others? I don't know.

“ I was saddened also to learn of Rocky's passing. I have fond memories of baby sitting Jim, Judy and Rocky in JP when I was 15- Jim and Ruth would go out on a date and return around midnight- I watched TV until the test pattern came on - I think I saw the movie "Dawn Patrol" a few times. Ruth always had cake in the fridge. I was impressed at how well behaved the kids were. Jim was very mature at that age, Judy was a delight and Rocky was a very dear child and I was not surprised that his personality served him well and remained with him as he matured.

Most recently when I showed a picture of the mariner statue in Gloucester Rocky responded that it was what influenced him to join the navy. May he have a peaceful and happy reunion with Jim, Ruth, Judy and Claire- and all of our sainted family.

“ Some family history- Rocky was named after our uncle "Francis Robert D'Entremont who died in a disaster at sea off of Cape May NJ in 1944- Always called "Rocky" even though he was baptised "Francis Robert." - Uncle Rocky was a funny and lovable uncle also and we older folks have fond memories

“ As a USN Submarine veteran I was saddened to recently learn of Rocky 'Crossing the bar'. He was also a United States Navy Nuclear Submarine veteran having served aboard the fast attack boat USS Hammerhead SSN 663. He was nuclear trained and served in the Navy from 1963-1969. I never met Rocky but knew him from my position as an Admin in Cold War Submarine Veterans and 3 other groups numbering in excess 25,000 veterans.

Rest in peace my Submarine Brother. Fair winds and following seas....

“ My sincerest condolences to Rocky's family. I knew Rocky as a colleague at Alloway Associates. I have many fond memories of sitting next to him at the office Christmas luncheons, listening to his beloved Mt. Holly stories, swapping stories of me growing up there and from my husband. We always found a connection. He was a true gentleman and it was always evident how much he loved his family.
