“ I can proudly say that I was one of the first people to meet Rose and her husband, Cliff, when they moved in across the street from us when I was just a freshman at RV. My fondest memory perhaps 2 years after they moved in, is receiving a phone call at around midnight one night asking if I could watch their infant son because Rose was going into labor with baby #2. So of course I did! I told my Mom that I needed to run over and babysit Joey. And Rose and Cliff gave Vivian the middle name of Anne because I did that! So thoughtful 😊

“ The thing I remember best about Rose was her laugh. You laughed just because she did.

“ One of my fondest memories was when we would help with a party. Rose would host elaborate dinner parties, five course meals, to celebrate with family and friends. We would have so many laughs as we tried to fold the napkins before the guest arrived!

Dear Vivian, Joe, and Family,

I am stunned and saddened to hear of the passing of your mom. Rose had such a great heart - always finding ways to reach out to others. Truly a prayer warrior and lover of God's word. I know you will surely miss her; and please know, I will too.

1 Peter 1:8-9 I believe now Rose is seeing her savior face to face. I know she loved Him.

*My love and prayers that you can know His peace,

Working with Rose at the Burlington County Library was a treat. She was always one step ahead and often had documents and letters prepared before I even asked for them. She was so helpful. I felt as though we became more than co-workers, we were friends. She often invited a group of us to lunch in her home and the food was always delicious. I served on several committees with her and she had much to contribute. I'm so sorry that I didn't hear about her passing until Friday evening or I would have been there for her service. Sending my deepest sympathy to her family and friends for the loss of this special and caring person.
