“ It has been my honor and privilege to have known such a wonderful woman for 45 years; to be part of the Reid family; to have dropped the "in-law" years ago and to call her my Mom. I miss you already. Rest in peace with Dad and with so many many friends and family that you have been reunited with. Love you always, Debbi xo

“ In a life so well lived and an example so well set, where does one begin the celebration. As a boy, I had the opportunity to spend approximately 2 months with Tom, Shirley and the boys at Fort McClellan, Alabama. What I recall is being cared for, loved and yes, admonished at times by this wonderful person I call Aunt Shirley. I found out what it meant to be part of a bigger family and how to present myself in real life.

“She is clothed with strength and dignity; she can laugh at the days to come” - Proverbs 31:25.

She was as strong as they come and always carried herself with an air of dignity. How special is it that we sometimes referred to her as “The Queen”. She was a regal person. Her laughter was from the heart and she did enjoy a good joke!!! I’m sure she and Tom (hopefully my Mom too) are sharing hugs and laughter in heaven. Life is to be lived to the fullest, never casting aspersions on others rather, be accepting and welcoming to others. That is my Aunt Shirley and I love her so.
