

Virginia Enger

September 28, 1943 - February 7, 2021

On February 7th, 2021 Virginia Powell Enger passed away in her sleep. Virginia, or Sissy as she was also known, was 77 years old. She was a lifelong resident of Juliustown, where she was surrounded by many family members on Main Street. Virginia had a successful career managing a doctor's practice, from which she retired from. In her retirement she could finally take care of, and love her cats, do her gardening, and play and visit with her grandchildren. Virginia was the mother of three lovely daughters, and "Grammy" to 6 grandchildren. She always provided support and much love for her family. Sadly, Mom battled Dementia/Alzheimer's in her last years of life. She never stopped fighting, often battling with the nurses, and walking all night long with her wheelchair. The amazing people at the Masonic Home were always there for her and Mom loved them! For that we will be eternally grateful to them! She also survived the Coronavirus battle twice this past year. No matter how sick she truly was in the end, she was always bound and determined to do things her way. Through her, we know what resilience and perseverance truly look like. Just because she is no longer here with us doesn't mean she lost her fight. Virginia is survived by her daughters- Theresa Brenner Ritter and husband Kevin J. Ritter, Sherry Jayne Sano, and Karen Miller and husband Mike Miller. She is also survived by her cherished grandchildren- Paul Brenner, Ryan Miller, Leah and Christopher Beard, Marc and Kerry Sano, Chase Miller, and Anthony Sano. Sissy is also survived by her sister, Judy Chase and husband Mike.

The family invites you to join them for a memorial service at Perinchief's Funeral Home on Wednesday from 10:00am-11:30am. All are welcome.

“ Mom, there are no words that can adequately express the depth of loss that I feel. You are no longer here on the face of this Earth and I find that so hard to face. You were always there for me- we shared so many memories- college graduation, both of my weddings, the birth of both of my babies, Paul's death, the many birthdays, holidays, vacations...How does one say "thank-you" to a mother that means so much? I've missed you so much these past years that you've been locked away. Wherever you are, I hope you can hear me when I say- "You will be missed dearly!"

“ Even though we only had a brief moment of Virginia's life, we all loved her very much. She was a big part of our neighborhood and our family and will be greatly missed. Thank you so much for allowing us to care for her.

“ I will miss you Grammy. Thanks for being a great grandmother and doing so many activities with us! I missed being able to just walk down to your house and visiting ! I will miss the chicken tenders and chocolate pudding too!

“ I'm still at a loss of words knowing you're no longer present on this Earth. Dementia took so much away from you, and from us all; but it will never take away our sweet memories. You were the best Grammy, and we were so lucky that you were ours. Thanks for letting me and my cousins have sleepovers in your den, for making me the BEST chicken tenders, sharing pudding and chocolate marshmallow ice cream with me, protecting me from the monsters and murderers, and letting me pick the movie or tv show we were going to watch on our Saturday nights together. :)

Your passing on Sunday, on dad's birthday, makes me confident he helped you to let go. Blessed to have you as my angel, and I'll love you for forever
