

## William Joseph Trump Jr

June 19, 1982 - May 3, 2021

William Joseph Trump, Jr., of Mount Holly, passed away suddenly on Monday, May 3, 2021. He was 38. Born in Mount Holly, NJ; the son of Margaret & the late William Joseph Trump, Sr.

Bill's story is one that is all too familiar today and has touched many families. To know Bill is to know the struggle of addiction, and the promise of sobriety. To many, they only knew the addiction, but to those closest to him, they knew the promise of his life without addiction. The moments of sobriety were washed away like the changing tides of the ocean with the cycles of relapse and recovery. In recovery, Bill was a hard worker, confident, caring and loving but while in relapse, he was distant, ashamed and embarrassed. Bill did not want to be an addict, no one ever does, but at a very young age addiction took hold and had ripple effects through the rest of his life.

As a child, Bill showed promise as an athlete in wrestling and baseball. He loved fishing with his father, playing wiffle ball in the back yard, and riding go carts. But even before he could show his talents, addiction had taken its hold. In the intervening years, the cycles of relapse and recovery stretched and broke many relationships. To some, staying away was the best way to support him, with the hope that one day he would be back. Bills most recent time in recovery showed the most promise for his future. Prior to his father's death, the two of them were inseparable. As time in recovery went on, Bill found love and had a beautiful daughter. Things started to turn around for Bill, but when his father passed, his true North was lost. For 254 days, Bill mourned his father death in his own way. He struggled to stay sober while the vicious cycle of relapse and recovery played out, finally ending in his death. With Bill's untimely and early death, worlds have been shattered and prayer left unfulfilled for the hope of having the long-lasting recovery. We know that Bill Jr. is now with his father, Bill Sr. walking in paradise unincumbered by the burdens of this life.

William is survived by his daughter, Winter Violet Trump; loving partner, Amber Myers; mother, Margaret Trump; brothers, Jesse Trump & Gary Grant Jr.; nieces, Kaila & Natalie; nephews, Gary III & Ryan; & numerous aunts, uncles & cousins.

He is predeceased by his father William Joseph Trump, Sr. in 2020, maternal grandparents, Edward & Margaret Cox; & paternal grandparents, Theodore & Carolyn Trump.

Family & friends may attend his viewing on Monday, May 10 from 6-7 PM at Perinchief Chapels, 438 High St., Mt. Holly. A Celebration of Life service will begin at 7 PM at the funeral home. Interment is private. In lieu of flowers, memorial contributions can be made in William's memory to: <https://www.gofundme.com/f/to-assist-in-funeral-costs-and-support-for-winter>

“ To all the Trump family members,  
To say we are heartbroken at the news of Bill, Jr. passing would be an understatement. The Lord must have needed a Father/Son team in Heaven leading to both passing way too young. The Lord is waiting with open arms for Bill along with his Father and Grandparents, and he will suffer no more.....only to leave love and peace. We hope happy times of the past soon fill your hearts and minds turning sad tears into happy ones. We will continue to keep you all in our thoughts and prayers.  
with sympathy,  
Geri & Tim Scassero

“ Billy was a beautiful young man....a smile always on his face. I remember him from the days of his youth running around Hainesport with my son and his other friends. I saw him about a year ago...we talked about the old days...he made me laugh with how remembered me...being strict and not letting them Watch Ninja Turtles on TV...we talked about the Lord and that yes...he should lean on the Lord during his struggles. God hold him in your care

“ I have no words for you Margie. While I didn't know Billy, I know you and Bill were wonderful, loving parents and my heart breaks for you. You told his story beautifully and my hope is that it helps someone recover from their own addictions. I send my love to you and your 2 other boys. Hold on to what they have gained rather than what you have lost. That is what has helped me get through the losses in my life too. Love you beautiful lady.

“ I didn't know Bill, but please accept my most sincere sympathy for your terrible loss. I have family who have fought this battle and it is heartbreaking. Your obituary is beautiful and eloquent and describes the best and worst of addiction, but is a beautiful tribute to Bill. God bless you.
