“ *Al was the most caring person I knew. Loretta and Al's marriage was an inspiration to Sal and me. Al was an amazing carpenter and I remember when we would visit them at their house, he would take us into the garage and show us what project he was doing at that time. Their house showed what a wonderful and talented man he was. He will be sadly missed by his Family and Friends. May God help you through this sad time in your lives. Love, Aunt Doris*
