“ shocked and saddened at butch's passing.
This is late, but it's what happens when you move away from home.
Butch was a fun guy to be around. But he had a heart as big as all
outdoors and that surpasses the "fun to be around" Butch.
He lit up a room when he came in.now he is lighting up heaven.
The Good Lord now has the best pitmaster, and all around fun-guy
in His flock.
God rest you ,old friend. you will be sorely missed.##imported-
