“ *My deepest condolences to Al's family. My one fondest memory was back in 2012 when my father passed away and we had to find a home for his love bird. Al and Alice decided to take him which couldn't have gone to a better home. Only problem was eventually they had to get rid of it because it would nip at them, we would laugh about how crazy the bird was. I loved to hear Al sing in the choir at church. He had a true kindness about him and will be truly missed. Love from his church family, Linda Patterson*
