“ Dear Horn family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time

“ Al was a classmate of mine. He also worked on our reunion committee for many years. I would see him at the Diamond Diner up until the last few years. He always knew me and wanted to know what was going on with our classmates. I would sit with him and keep him up with the news of our class. The last time I saw him was early last year at the cardiology Virtua group office in Moorestown. He was in a wheelchair and his son-in-law was with him. We chatted for a few minutes, as he was checking in and I was leaving..

I am sorry that I can't attend his services but I will always remember his friendly face. Rest in peace my dear friend.
