“ You will be missed my dear friend. You taught me how to be a strong women and I thank you for that. Many many fond memories. I am sure you are with Uncle Jack and Aunt Florie. You were a reason I made my Christmas Bread every year. Love it when we would deliver it to you on Christmas eve and you would always say that Christmas had officially started. You will be missed.##imported-begin##Mary V. Carty (Bozarth) Ginny##imported-end##
