Tribute Wall

“ I was greatly saddened to learn of Allen’s passing. I know we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our hearts.

It’s been nearly seventy years since Allen and I were classmates at Folwell School. I still remember how kind Allen was to me during those elementary school years. I still laugh every time I think of one pretty outrageous thing he said to Mrs. Milton (our sixth grade teacher) one morning. It landed him in Mr. Mengel’s office but left me with a memory that still makes me smile to this day.

My deepest condolences to Allen’s family and friends.
