

Alvin Herman Sr.

May 9, 1938 - December 25, 2025

We remember and celebrate the life of Alvin Herman Sr., who passed away in the comfort of his home on Christmas morning at 5:30 AM, at the age of 87. We celebrate his full and vibrant life, deeply cherished by his family and friends.

Alvin Herman Sr. served proudly in the U.S. Marines and later enjoyed a long career as a truck driver until he was 85. He welcomed all his neighbors with warmth, unless you happened to walk on his grass!

He was also a remarkably talented musician, playing multiple instruments and loving the organ. His musical talents brought joy to many and left a lasting legacy.

He is preceded in death by his beloved wife, Catherine, his son, Alvin Herman Jr., and his girlfriend of 18 years, Barbara McGrail. He is survived by his son, Brian Herman, his daughter, Lisa Herman, five grandchildren, and nine great-grandchildren, all of whom carry forward his memory and love.

We will be holding a celebration of life at his home, located at 419 Kansas Avenue in Delanco, on January 3rd at 3 PM. All who were close to him are welcome to join us.

“ I remember when my uncle Al told me that he remembers that I love ❤️ black olives ☐. I remember him dancing 🕺 with me. I remember Christmas Eve when he would decorate the tree. He used tinsel. He wanted us to put the tinsel on one string at a time. I remember when I lived there. I have so many memories with my uncle I could write a book. Very good 😊 man. Loved his music and dancing 🎷. He loved his family. I will never forget him. In my heart ❤️ forever ☞

“ We are so sorry for your loss Brian and Lisa and family. Uncle Al was so special and loving and had a heart of gold. I have alot of memories but can not post them all. He was always about family and friends. I have fond memories of when i was growing up and staying at Uncle Al and Aunt Casses especially during Summers and we would get in the car and really drive for hours. I remember going to Canada and going to see Niagra Falls it was the best. I also have fond memories of Uncle Al playing his instruments with my Dad and Ernie just jamming fun times. When Uncle Al, Aunt Cass and my Mom came to Belgium to visit us Uncle Al went missing we were like where is he we lived on the economy so no one spoke English but he didn't care We went looking for him and he was talking to the neighbors thats how much he loved people. While they were there we traveled to Paris, London and Holland. Imagine how much languages he tried to speak to communicate. He loved to Dance to thats why i put a picture of him and Kath dancing she absolutely adored him. I have a picture of us dinning with friends in Belgium i included. I have so many memories but the best were just listening to his life stories and about his kids and grandchildren. He was so proud of each of you and oh how he loves you all. Im going to miss his phone calls first thing he would say is who is this i know its my favorite niece and how much he loved me and seeing me wearing my peacoat. I love you so much Uncle Al thank you for always being there for us and for loving us ❤️💕💖

“ I have so many memories with my Uncle Al. I lived with him for a long time in Woodlynn with my Aunt Cass, Alvin JR and Brian. I remember him being so fussy about his Christmas Tree. The tinsel had to be hung 1 strand at a time. He played the mandolin, harmonica and organ. Recently we reconnected with each other. We had lunch together in New Jersey. We laughed, we talked about how much we loved each other and missed each other. He cried one day on the phone because he missed Barbara his girlfriend of 18 years. He was the best person ever. He used to put me on the top of his feet when he was dancing so I could learn. We laughed. He was so funny 😊. I will always remember him as my favorite ❤️ uncle from my childhood. I love 💕 you Uncle Al. Always remember that you were loved by me. Now you are in your heavenly home. R.I.P. I
