“ *To the dear family of Amelia--
On behalf of the entire staff of Samaritan, please accept my deep sympathy on the passing of beautiful Amelia. She was an extraordinary person who shared her love by caring for others. She not only provided beautiful care to her patients and their families but, as a Care Coach, she also taught the families of other patients to provide the personal care so essential for the quality of life of their loved ones. She used her gifts to make a difference in the lives of others, and she did so with compassion and grace. Her love will live on through all those whose lives she touched.*

God bless Amelia, and God bless her loving family.

*Sincerely,
Mary Ann Boccolini

“ *Amelia took care of my husband when he was sick with cancer. She lit up his day and was always so kind and patient with him. He called her his Amelia Bedelia. The world needs more people like Amelia. My deepest sympathy to your family may she rest in peace as she certainly earned her angel wings.*

“*Millie, my dear sweet childhood friend. I believe that we met each other when you were approximately 2 years old.. You, me and Bert.. My heart aches over your passing. We only just recently reunited after many years and it just warmed my heart to see you again. Now I am for sure that you are flying in heaven with the angels because that is precisely what you are. A beautiful Angel. I Love you sweetheart. May you rest in peace and may God receive you into His loving arms. All of my love and prayers for you and your beautiful family.*

“*I was fortunate to have known Millie though my daughter Nicole and her husband John, Millie's younger brother. She had such a beautiful smile and vibrant personality. She will be missed tremendously. All she knew loved her, she could always make you smile. She was generous to a fault, always giving of herself to others. Millie will be greatly missed, and my heart goes out to all of her family. I know she will leave quite the void. Sincere condolences, Michele and Bob Muller*

It is difficult to put into words how I feel of Millie's passing. Coming to terms with losing her and her friendship is difficult to convey. I will share my my thoughts of Millie. A caring loving person, a great wife, mother and grandmother. She cared for so many people, and showed them extraordinary care and kindness working as the greatest Hospice aide. She helped people face their life and death with dignity. She was fun to be with, always ready to have fun and laugh. She was generous to a fault, and were you were a guest in her home, you felt totally at home, I never felt like a stranger in her home. She loved her grandchildren with all her heart. Millie you went through alot these last 7 months, and I am glad I was one of your friends who was there to share the tears, the laughter and the more serious moments when we just sat and talked. Rest in peace my dear friend and may the love of God always be with you. I will never forget you.

Love,
Margie
