“ I love you Daddy... miss you so much. Life isn't the same for me. You were a wonderful, kind, caring and loving man. You were my side kick.... All the moments filled with so many memories. I wouldn't change a moment. I will be alright because I know you are with God. You knew I would never let you go... you knew what I would be ok with and you did it... your way and with the grace of god. I love you.... I'm heartbroken and that will never heal but I have you in my blood and your strength. You were the strongest man I ever knew and blessed to have you as my Dad. Pop.... I will continue to honor your life and your wishes. Rest In Peace Pop! Your Babygirl loves you!❤️
