“ *Andrew was always outgoing in school, such a sweet kid. I didn't know him that well but he was always willing to let you know of his opinion and always talking optimistically about something.*

“ As the secretary at Wilbur Watts one soon begins to realize that the students are their "Monday through Friday children". My heart is sad over the passing of Andrew. My best memory of Andrew is how much he would smile when he would walk through the office, or when he was getting picked up early. To the Schaeffer family I am so very thankful that God allowed me the opportunity to meet our newest angel Andrew M. Schaeffer! I will keep you all in my thoughts and prayers. May Andrew's memories be comfort in the coming days. Love always, Regina Booker

“ *Andrew, we didn't meet until after you received your diagnosis so we knew what the outcome would be. BUT there was always hope as I prayed for a miracle for this fun loving, courageous young man. I am so glad that we were able to meet you in your happy place. You kept yourself going as long as possible playing basketball, dancing, swimming, cracking jokes, just genuinely enjoying life. It's so hard to believe that your smile and sparkling personality has been taken from us. We will never forget you. You will always be in our hearts.💔*

“ I have no clue who Andrew was but I'm sure he was very loved. My daughter of 32 years just passed Oct. 16 2019 and was also very loved. Services were held here also. I will say a prayer for him tonight along with my daughters. He's an angel now just like my baby and watching over you.

“ It's funny. A few months ago I was blessed to speak to Andrew on the phone. It been ages since I saw him and he remembered when I scared his mom with a snake. He was laughing and so high spirited about it. I'm sad that we loss him but heaven has gained another angel.

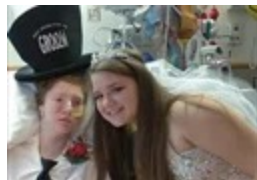

*You will be missed,*

“ I will always remember Andrew as one of my favorite students. He was a bright light, full of energy and enthusiasm. He had a big heart, and cared deeply for others, especially his family.

*I found this silly picture of him from 3rd grade and thought I should share.*

“ Andrew was a carefree spirit who’s smile would light up a room, he barely even lived but in those 15 years he touched so many lives even ones he didn’t meet. He was quite the jokester and loved to run around the campground with his friends. When we went camping he was either in the pool or dancing to the music they played later on. He was the best cuddler hands down and he was strong physically and mentally he never let anything hold him back! He was the most genuine person, you’d never meet another just like him. My little cousin loved with his whole heart and that will never change.

*I say a thousand things about Andrew but the one word that fits to me is that he was humble. Andrew I will miss our daily dance and thumbs up when I came to your room and Oh! How can I forget the middle finger. Ha Ha. I will truly miss you. You will never be forgotten.*
