“ Our prayers and condolences go out to Ange's family. We were heartbroken to hear of her passing. She was such a sweet girl, and we enjoyed having her with us on a family vacation back when her & our daughter were teenagers. She really touched our hearts when she even took the time to write a thank-you note for taking her with us...How many kids do that? We will always remember her as the thoughtful young woman she was, with a smile forever on her beautiful face...RIP, Ange, you will be missed.##imported-begin##The Strange Family##imported-end##

“ *Ange was a beautiful woman with a beautiful soul. We met in California, attended meetings together, she ventured into my room a lot just to hang out and talk. We'd lay in bed and laugh, cry, share hopes and dreams, and so on. We'd go to the beach a lot and body surf, talk to new people (she was the most outgoing person I'd ever met), lay out and tan, talk some more - She often talked about Gia and I was touched by the deep, undying love she had for her. She wanted a change so that she could give Gia the life she deserved. Ange has made an imprint on my heart that will always never die. Her laugh, her smile, her rowdy side, her loving, maternal side, her friend side, her heart, her soul, her tears, her struggles, and what she's overcome - those are what I remember her by. That's what made her who she was and that's why I loved her. Love you Jersey.##imported-begin##Kaili Flick##imported-end##*
