“ *I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what you are facing God is there to help you get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you a measure of comfort during this difficult time.*

“ *Dear Heere family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
