“ Though I didn't get to spend as much time with Aunt Anna due to distance, the times we were together were always filled with laughter, smiles, and happiness. She always made me feel as if she were my aunt too, and I knew immediately why she held such a special place in Bobby's heart. She made it a point to be there for the special times in our lives, no matter the distance, and we always felt her love. She went out of her way to give me a special gift, just for me, at my baby shower for my first child, knowing the rest of the gifts would be for the baby. It was incredibly thoughtful, and I will never forget how it stood out and made me feel truly special on that day. My children will grow up hearing all of the wonderful stories about Aunt Anna, and she will forever be missed and remembered with pure love.

My fondest memory of Anna Marie, is and always will be, of the day I offered to drive her and her Dad to keep an appointment she had made. She was so alive, smiling, vibrant and full of life at that time. After her app't' she insisted we stop at D.D.'s for coffee &, her treat. What a pleasant memory.

My thoughts and prayers go out to the Brown family. Anna was such a special person and I am soo thankful to have many memories with her. Her smile, her laugh, her love for her family, the beach, gardening, and our walks. She would always laugh at me when I would come over, I am not getting out my car till you get Buster, he's going to eat me, she would just laugh and say get out of that car!! I will always see a special part of her when I look into my garden as she took what she loved and shared it with me by helping me make my garden beautiful. Anna you will be sadly missed and I thank you for being my friend and for all of the memories. With Love, Diane Mathes
