“ I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what you are facing God is there to help you get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you a measure of comfort during this difficult time.

“ I only knew Anna Mae for about 7 years, but she insisted I call her mom! That was just how she was. I loved her and will miss her. Mostly my heart goes out to her daughter and my dearest friend, Anna Hunley. It has been a long hard road, but you have weathered every storm and are one of the best people I know. I thank God that He loves us all and pray that He will give all who loved Anna Mae the peace that only He can give!

“ So many times as I was growing up I was told I was so much like my mom and Nana. Two of the most precious people in my life. Now they are both together watching over me from Heaven. Neither one in any more pain. But both missed more then words can say. I can honestly say that with so many of my loved ones in Heaven, God has an amazing group of Angels with him. I love you and will miss you.
