“ *When I think of Anne it goes back so many years. I met Anne and Bill at the St. John's fraternity house in Brooklyn My husband was good friends with Anne and Bill and we all had so much fun together. We went on vacations with all the children and it was just delightful. In our later years we went on vacation without the children and stayed good friends for over sixty years.*

Anne and I could pick up the phone and it was like we spoke the day before. Anne had a great sense of humor and we thought so many things were funny, I will miss you dear friend, but I know you are up in heaven laughing with Bill and Owen.

See you all someday

“ Anne ALWAYS had an impeccable appearance! Even as we sat at the pool at Deerwood, Anne’s hair was perfectly coiffed! She always looked as if she stepped out of a fashion magazine! As pretty as she was on the outside, her character was just as beautiful. Anne had a perpetual smile, which matched her warm and genuine personality. She loved to laugh, and I loved making her laugh. Summer days at the Deerwood pool, our conversations always included how we dreaded thinking of what to make for dinner and we would give each other ideas.

Anne loved jewelry and had plenty of it! As my husband and I were on our way to an affair, I asked him to take me to her house to borrow a pair of earrings to complement my dress.

You will be missed my dear friend. Hopefully we will see each other in the next phase. Coincidentally, Bobby and I will be buried at the same cemetery .

Rest peacefully my dear friend.

Love,
Judie
