“ Annemarie and I became friends the first week she began work at the United States Department of Agriculture, Food & Nutrition Service, Mid-Atlantic Regional Office (MARO) in Robbinsville, NJ, over 20 years ago. From the beginning, Annemarie had an admirable work ethic, was willing to help anyone who needed her, and excelled at staying calm in any crisis. She personified "grace under pressure".

Annemarie lived for her family - the love of her live hubby Bob (whom she kept alive with her nursing skills and CPR training), her daughter Connie and grandkids Nichole and Jimmy. AnneMarie devoted her energy to improving the lives of her family. Am so glad AnneMarie and her family were able to enjoy a vacation in Baltimore in August.

Besides her family, Annemarie's life included pride associated with her American Indian heritage and attending pow-wows, love of music (helping to deejay with Bob at the Elks Lodge for many years), and spending almost every lunch time crocheting afghans/blankets to give away to those less fortunate. She was also known for her love of dogs and cats whom she rescued and nursed back to health. She was proud of being an American and donated generously to support our military.

AnneMarie will be remembered for her generosity and healing spirit. May we meet again in the next life....

“ I had the pleasure of working with AnnMarie for 16 years. We loved sharing stories of our grandchildren. She was over the moon in love with her beautiful grandchildren and she would glow radiantly as she spoke of them. My thoughts and prayers are with her family and friends during this very difficult time. May your broken hearts be comforted by the wonderful memories you shared with her. May God rest her soul and His perpetual light shine upon her.

“ Dear Connie and children,

My deepest and heartfelt condolences go out to you and your children. I will truly miss her - everyone here will and it will never be the same without her here. I will also always remember our shared stories of the perils and pleasures of our kitties too. Its hard to believe she is gone from this world, but I hope in time it will bring you some comfort that she is now back in the arms of her adoring husband Bob forever. She was always thinking and talking about you, and always, always about her grandchildren and how proud of them she was and how much she loved them. I pray that you will find and keep the strength that you need for yourself and for your children to carry on. She will always be watching over you all.

“ Dear Connie,

I've had the pleasure of working with your Mom since she started at FNS and with us sharing the same name, it was a friendship from the very beginning. I was deeply saddened to learn of her passing. I had not expected it, but worried about your mom's health and checked on her frequently at FNS MARO. Eternal rest grant unto her, O Lord; let perpetual light shine upon Annemarie and may she rest in peace. Amen.

“ Dear Beavin family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
