“ Aunt Marion Mc Naney plus Marion & Gregory Kolbasuk will never forget our special nephew and cousin. Tony had a great sense of humor, beautiful eyes and a sincere personality. Heaven and family members will welcome Tony with open arms and love.

“ My cousin Tony was a wonderful person. He would always greet meet with a loving smile. And who could forget his beautiful eyes. He loved to talk about cars. When he was passing through Staten Island, driving a huge tractor trailer, he would always make it a point to stop by my husband Tom's store, just to say hello. He will be forever in our thoughts.

Been almost two years since Tony left us. I remember his train sets when visiting him when young, his love of cars and of course his love of his beloved dogs he had growing up. I think of you often. May you rest in eternal peace. Love your cousin Peggy McNaney Mende

“ Tony was a big part of my family, to me and my kids he was and will always be grandpa. He was always there for us no matter what. Always loving and caring for others, we would talk for hours about cars. Truly a blessing to have met him and to have had him in my life. He was loved and will be definitely missed by us all. R.I.P Tony, we love you and our prayers go out to your family

“ When we were teenagers hanging out at Teri and Tony's. He was always working on his car with the cigarette hanging off his lips to the side and would take us if we needed a ride. Love you TONY
