“ *Mr Passrrelli was one of those people you were glad to see, I was fortunate enough to be his family doc in the past, and his visits were always great. Stories from the golf course always made me smile. He leaves behind a great family that he was so proud of. Our community was better because of him. He lived a great long life and we celebrate that today.*

“ Uncle Tony was the kindest and most gentle person you could ever meet. Too bad he was a Yankees fan.
