“ *My thoughts and prayers are with you all. May you find strength through family and friends and comfort through your faith. When I first met Antoinette, she was a new grandmother and I was the mother of two young boys. Over the years, at numerous family events, I have witnessed her love for her entire family. Now that I am a grandmother myself, I think I understand and appreciate her devotion to family even more. I have been fortunate enough to eat wonderful food that she prepared, I have chatted with her about Italy and England and, best of all, we shared big smiles and hugs when I became her grandson's godmother. I am thinking of you all and I am so sorry for your loss. My sincere condolences, Elaine*
