“ At first, I only knew April as cousin John’s wife. With every family function, I got to know her a little bit better and got to know her as April. I realized she was a special person, and that she and John had something special that people would love to have.  
She will surely be missed.  
May she rest in peace.  
May John be well.  
Love,  
Cousin Frank

“ April was a staple in the Zeller household back in the day. She and Jenny would always be getting into something. We'll never forget her sweet personality and love of the old time wrestlers like Jimmy Super Fly Snooka. April was a true gem and the Gilberts were salt of the Earth people.
