

## Arline M Chambers

April 2, 1938 - September 5, 2023

Arline M. Chambers of Southampton, formerly of Hainesport, passed away on Tuesday, September 5, 2023. She was 85.

Arline was born in South Camden to James Fallon & Catherine McGrath. She later moved to the Cramer Hill section, where she grew up with her brother Jimmy and sister Carol along with her parents, and Aunt Ethel.

She had a full childhood with many friends from little on up and was very sports orientated. She and a couple of other girls in her crowd who were Tom Boys and wore nothing but blue jeans, baseball caps and swung baseball bats around all day. At one point during those teenage years, her mother made her wear a dress on Sunday's. She sat on the porch steps in her dress all day long. She and her friends joined a marble tournament in North Camden and Arline won.

After Graduating from Camden Catholic High School she met the love of her life Robert (Bobby) Chapman Chambers. They had two great boys Robert (Bobby) and the late Michael. Shortly after their children were born they moved to Hainesport, N.J. and raised their children.

Arline then returned to work at RCA/Martin Lockheed where she had a very successful career in contracts administration. Her job took her traveling to many different states. That went on until she retired. After retirement she now

had the chance to stay home with her little shih tzus dogs and do some genealogy and enjoy life. Arline was a very special person, kind to everyone and willing to help in any way she could. If you hurt, she hurt and she wouldn't give up until she solved your problem. Arline will sadly be missed by many and loved by all.
