

Barbara Gilda Lamprinos

January 9, 1924 - May 7, 2016

Barbara Gilda Lamprinos (Volgarino) of Delran, New Jersey passed away at her home peacefully and surrounded by family on Saturday, May 7, 2016 at the age of 92. Gilda was born on January 9, 1924 in Mt. Holly, NJ. She resided in Mt. Holly for almost 72 years, spending many summers in Long Beach Island, NJ and Lake George, NY. She retired from Bell Telephone in Mt. Holly after over 30 years of dedicated service. She then traveled the world with endless energy and curiosity, and her best friend Edna Adams by her side. She was also an avid animal lover, lovingly raising dachshunds throughout her life.

Gilda was born to Raphael and Josephine Volgarino. She was the youngest of 12 children and was their last surviving child. Adoringly known by all as "Aunt Gil," she is survived by generations of nieces and nephews and great friends who loved her dearly.

A funeral service will be held on Saturday, May 14, 2016 at 3 pm at the Perinchief Funeral Home, 438 High St., Mt Holly, NJ. Friends may visit with the family on Saturday from 2-3 PM at the Funeral Home. Interment will be scheduled at a future date. In lieu of flowers, donations can be made to the National Cancer Society.

Aunt Gil lived every moment of her life courageously, fearlessly and with conviction. She was truly one of a kind, opening her heart and her home to everyone she knew. Every memory of her will be cherished. We raise a martini to you, Aunt Gil. Ciao baby.

“ We will miss our dear neighbor, the woman with the unstoppable can-do attitude. Gilda was an inspiration to all who knew her. When we first met Gilda in 1998, our daughter was 5 and was convinced Gilda's name was Ma Gribbons - and that remained her nick name for past 18 years. We truly will miss her spunk, her laughter, and her hugs. Our sincere condolences to her family. Cindy, Joe, & Theodora Malison

“ as far back as I can remember Aunt Gil has always been around . She was a wonderful friend to Aunt Edna and the rest of the Adams Family . She was always around when we went to my Grandparents house and I loved spending time with her when we went to Greece. i'm sorry I didn't get to spend as much time with her as my brothers did but she will always have a special place in my heart

“ I posted this to my Facebook page on Saturday. Aunt Jill was an amazing woman, a caring person and enjoyed life to the fullest. We loved her and will miss her late night talks and wonderful smile.

As we grow up and go through life, trying to find our way and learning what is the right path to take. We've all had an adult relative that helped and offered guidance and direction. Someone we all aspired to be and who we wanted to be proud of our accomplishments. I lost that person last night, age took its toll and my Aunt Jill passed on to a better place. Please, tell the people close to you what they mean to you. Be the best you can and forgive. Life is too short enjoy each and every day, you never know what the next minute, hour or day holds for you. Rest in peace Aunt Jill and thank you for all you did for me and all of us.

“ I have a picture of Aunt Jill holding me not to long after I was born! I found out later in life how strong and smart this woman was. When Jill & Edna came to Florida to visit they would sometimes stay at my house. Now, if you know Jill, she had to have her glass of wine before bed! That glass of wine lasted a long time and I never regret the sleep that was lost. Aunt Jill did not sit and talk about Her, Jill asked about me and my family, I could talk to her about anything and we did. She cared more about us then we will ever know and when I say "US", that is all the Adams family. Yes, she will be missed and always remembered!!!!!!!!!!!!!! Chris Adams

I remember when I would come visit with Aunt Edna for week over many summers, when I was growing up. And I would go over to Aunt Gil's house and she would make me her famous popcorn. We would go to LBI often, we would go fishing and crabbing!! She invited our family and went to her house in Lake George. I have many memories and had spent lots of time with her growing up. I wish I could have spent more time with her and Aunt Edna in the past few years but unfortunately living in Arizona limited how much time I could visit. But I know that they are together again in heaven and they're laughing and having a great time. Aunt Gil has lived a long, happy, fun life. May you rest in peace Aunt Gil. We love you and will miss you!! Christine, Chris, Anthony and Sam

I first met Gilda 50 yrs. ago when I first started dating Edna's brother Greg. The rest is History. She was a generous, kind and caring person. I remember when we bought a boat and she offered us to keep it at her shore house. We came down on the week-ends and took her crabbing and fishing. She had a great time with all my family. She loved being with the kids. We had a lot of good memories with her and my sister-in-law Edna. We enjoyed all the parties she threw, she loved to party!!! She loved to have fun. You will be missed Gilda, RIP. Love, Marge

“ We first met Gil 36 years ago when she availed her cabin in Hague, Lake George to me and my family. As a young couple with small children, she made it affordable for us to take a family vacation. She trusted us with the house key behind the shutter....or her resident beach pass and asked very little for the privilege of staying there. So we tried to leave it cleaner than we got it...if that was possible. To this day, we still go to Hague...we love it like she loved it and she made that possible. And should we stop down the shore to say hi on our way home from a day on the beach, we were always welcome...to either dinner or a snack or a cold beer and just good company. Her door was always open. She never failed to ask about my own Mom or my girls and grandchildren. She thought about others before herself.
We are all so sad to have lost such a wonderful friend.
