“ *Farewell my family given to me by God. It was time for you to go home. Your friendship was an amazing blessing for the last 24 years and I will miss you so. You were not only my friend, you were my family. Whenever anything happened we were always there for one another no matter what. We shared an amazing friendship with so many beautiful memories that I will cherish forever and hold close to my heart. You brightened up my days when I was having a bad day or a good day. You brought me so much happiness with your kindness and unconditional love. No matter what was happening or going on with you, you were there and knew what to say. We had such fun celebrating family events, holidays or simply spending time together. We were there for one another through all the ups and downs in our lives, the good times and the sad. You were one of the best friends I ever had. My heart hurts and is sad for I will not have you here on earth, but I know that you will still be with me. God has taken you home to be without pain and to be with her family and my mom Naomi. So for now you and I must part until it is my time for me to come home. Barbara was an amazing woman, wife, mother, grandmother and friend. She gave unconditionally expecting nothing in return but love. Barbara was one of the strongest woman I have known in her faith, in strength and in love of her family and close friends.*

*I love you forever Barbara and you will live within my heart!*

“ *Barbara will always be remembered as one who cared. Not only just cared, but cared with unselfish Love in her heart toward others. I know that's the way it has always been toward our family growing up until now. She will always be regarded as part of our family . Now she can be with Jesus and her family and our mom in Heaven , no pain , made new. You are LOVED. Til We All Meet Again. David Fricke*
