“ Barbara as she was affectionately known, was a shining light in the lives of all who had the privilege of knowing her. Her journey on this earth was one marked by love and compassion. Her passing has left a void in the hearts of her family, friends, and many more whose lives were touched by her. We ask that you remember her not for the way her life ended, but for the way it was lived, and for the profound impact it had on the lives of those who had the pleasure of knowing her. Barbara made the best brownies ever! Matt called Barbara aka Girlfriend...so cute. Jenny and Matt treated her like princess as Barbara deserved. All our love Jim, Karen and Jesse Mahler

“ Our hearts ache beyond words. We will always remember mom for her love, kindness, wisdom, sense of humor and always thinking of others. When I would visit her I would leave with a handful of things. Even though feeling funny I would take it all because I knew that's what she really wanted. I especially remember a neat bag of folded socks that I didn't wear right away just because they were so neatly folded and the fact that she did it. I remember how she loved to come out to our barbecues to watch Karaoke, listening to music, talking and just being with all of us. I loved hearing about her fun adventures with Paul. I will never forget her cooking and cooking tips. Everything she made was delicious and made to perfection. Oh and her cupcakes!! She was one of the strongest, toughest, but kindest. We will miss you so much mom. Thank you for your love. Your memory is a treasure and will forever be in our hearts. Rest in peace. Thoughts and prayers to family in this time of grief.
