“ *I worked with Barbara during her Inductotherm employment. She was a great friend; we did so many things together. I also tried to contact her many times these last couple of years with no success; cards I sent were returned. She is in a better place with the Lord. Now she will be watching over and taking care of us. Rest in peace. Pat Key*

“ *I loved Bonnie as a sister we were best friends growing up, always doing everything together. The last time I saw her was at my Husbands funeral mass a year and she didn't look well. I tried to reach out to her but had no success. I hope she passed in peace and will be resting in the arms of the lord. She was such a sweet person and will be missed by all. Rest in peace Bonnie!*
