

## Barbara A. Wright

August 2, 1950 - April 1, 2024

After suffering a long illness, Barbara A. Wright passed away peacefully on April 1, 2024 surrounded by her loving family.

Barbara was born on August 2, 1950 in Philadelphia, PA to Nathan and Ernestine (Toni) Rudd. She was the second child born just 15 months after her sister Theresa. Their mother often dressed them alike since they were so close in age.

Barbara graduated from Rancocas Valley Regional High School in 1968 and attended William Patterson University. Barbara married James G. Wright, her high school sweetheart. They had one son, Eric J. Wright. Barbara was a devoted mother and often said that Eric was her best friend. They had a very special bond. Although Barbara and Jim later divorced, they remained friends until her passing.

Barbara retired from Medquist as a Project Manager/Transcriptionist Trainer after many years of loyal employment. After retiring, she moved in with her 96 year old mother Toni and was an amazing caregiver to her.

Barbara was an excellent cook and baker and she hosted many family dinners. She enjoyed cooking for her family. She baked dozens of delicious Christmas cookies every year, which she shared with family and friends. She loved animals and owned many cats and dogs. She enjoyed nature and taking walks on trails, especially with her sweet dog, Sophie. Barbara was very kind and disliked seeing an injustice done to another human being. This was evident by the impact she left on those who knew her either briefly or for many

years. She was always described as “sweet” or “kind”. She was honest and sincere and it shone through in the way she treated others.

Barbara is predeceased by her father, Nathan E. Rudd, Jr. and her brother, Michael E. Rudd. She is survived by her son, Eric Wright, her mother Toni Rudd, her sisters Theresa Rudd (Nick Montegna) and Stephanie Rudd, her nieces Andrea Ramsey (Chris) and Keira Rudd.

*Barbara and I were freshman roommates at Paterson State College, a tender slice of early life. We reconnected again in the last year as she was valiantly facing the cancer treatments. In our phone calls, she was caring about everyone else; serving everybody else. So that must have been her mission. Love without measure*
