“ *Just wanted to share with the family how special Bobbi was to me. She and John used to come to Cracker Barrel pretty regularly and I came to know them. She made and shared her beautiful scarves with me and it was a pleasure waiting on them. So very sorry for your loss. Sue (Pluhacek) Gambone.*

“ *I am so sorry to see this news of Mrs. Bobko's passing. She was such a kind person, and always with a smile. She was so generous with sharing her beautiful hand-made scarfs. I will remember her fondly.*

“ To say that Bobbi will be missed is an understatement. She was my neighbor, my friend, and I loved her dearly. Not to be able to wave to her from my back porch, not to hear her voice on the phone and not to sit with her and visit, are some of the things I've lost.

To Bobbi's devoted husband John, her sons, her granddaughters and great grandchildren, please accept my sincere condolences. Cherish the special time you shared together, her generosity and most of all, her unending love for you. An angel on earth has earned her wings for everlasting peace with God in heaven.
