“ *Heaven gained another angel in my Uncle Bill. I am glad he has been reunited with my Aunt Loretta. He was like a second grandfather to me and I will miss him very much. I have so many good memories but two memories I would like to share would be when I would dance to the German Marches in CT with him and my grandfather cheering me on and the second would be when he would drive up the driveway to visit in CT and my brother and I would wait for him to whip out the coolest water guns at the time and chase us around with them. I love you and Cheers this one's for you.##imported-begin##Jessica Sinaly##imported-end##*
